

Begin a Consult-Now call

Quickstart for service providers

1

Sign in to the video-call management console

Email

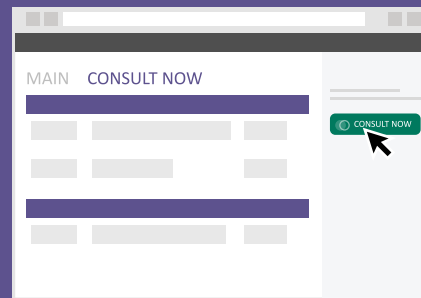

Password

→ Sign in

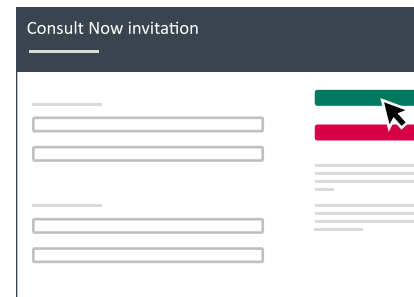

2

In a relevant waiting area, select the **Consult Now** tab then, in the sidebar, select **Consult Now**

3

Complete the fields and select **Send invitation**

Consult Now invitation

Send invitation

Select **Open call**

Open call

4

The invitee has 5 minutes to start the call—you can extend this, resend the invitation, or cancel it

The call starts as soon as the invitee opens the link and enters their details
